Which national target your country has established to measure progress in achieving the priorities established in the national action programme, if different from the target suggested above?

No particular national voluntary target has been established in this regard.

Qualitative assessment

Is your country undertaking initiatives to increase the participation of CSOs and STIs in DLDD-related programmes and projects?

Yes No

Operational objective 1: Advocacy, awareness raising and education

Provide a short description of actions taken at the national level to promote participation by CSOs and STIs in the Convention processes.

In order to increase the participation of CSOs and STIs in the DLDD-related programmes and projects, the Central Government Institutions have made enormous efforts in areas such as providing close collaboration in activities related to DLDD, supporting the thematic proposals, provision of technical support whenever requested. The government also provides various policy related inputs to steer the DLDD attributes and curriculum developments in the institutes.

Operational objective 1: Advocacy, awareness raising and education

CONS-0-4

Number and type of DLDD-related initiatives of civil society organizations (CSOs) and science and technology institutions (STIs) in the field of education

Which national target your country has established to measure progress in achieving the priorities established in the national action programme, if different from the target suggested above?

Qualitative assessment

Is your country undertaking initiatives to increase the number of DLDD-related initiatives in the education sector implemented by CSOs and STIs?

Yes

No

Provide a short description of actions taken at the national level to increase the number of DLDD-related initiatives of CSOs and STIs in the field of education.

In order to increase the participation of CSOs and STIs in the DLDD-related programmes and projects, the Central Government Institution has made efforts in areas such as development of policies and strategies such as Agricultural Sustainable Land Management Strategy and Action Plan and the Ghana Strategic Investment Framework for Sustainable Land Management (SLM) among others to update the curriculum of primary, secondary and tertiary institutions in the country to incorporate SLM technologies into their land and water management courses and provision of technical support whenever requested in these subject areas.

CONS-0-5 Number of affected country Parties, subregional and regional entities to have finalized the formulation/revision of national, subregional and regional action programmes (NAPs/SRAPs/RAPs) aligned to The Strategy, taking into account biophysical and socio-economic information, national planning and policies, and integration into investment frameworks

Global target Percentage of affected country Parties, subregional and regional entities that have formulated/ revised a NAP/SRAP/RAP aligned to The Strategy **≥ 80 %** **2018**

National contribution to the global target

Does your country have a NAP aligned to the Strategy? Yes No

Qualitative assessment

Is your NAP being implemented? Yes No

Please answer the following two questions only if your country has not aligned the NAP to the Strategy

Voluntary national target

When do you plan to align your NAP to the Strategy? 2014-2015
2016-2017
2018-2019

Any other country-specific issues

Does your country have any specific issue to bring to the attention of the Conference of the Parties? Yes No

If yes, please specify under which of the following broad categories it can be classified

- Policy, legislative and/or institutional framework
- Capacity-building and awareness-raising
- Desertification/land degradation and drought and sustainable land management monitoring and assessment/research
- Funding/resource mobilization
- Knowledge management and decision-making support
- Participation, collaboration and networking
- Reporting and review process
- Other

Please describe below:

In working towards addressing the DLDD issues across the country, availability of funding and resource mobilization prove to be crucial. The areas such as continued capacity building, institutionalization and mainstreaming of sustainable land management programmes into the national and local development plans and strategies is critical
