Operational objective 1: Advocacy, awareness raising and education

Qualitative
assessment

Does your country have a national communication strategy addressing DLDD and/or DLDD synergies with climate change and biodiversity in place?

Yes No

Provide any complementary information as needed (e.g., regarding the implementation of the Comprehensive Communication Strategy, activities relating to the United Nations Decade for Deserts and the Fight Against Desertification, etc.):

The communication strategy highlights special strategies in awareness programmes and approaches for combating environmental degradation, reducing climate change and encouraging afforestation.

Operational objective 1: Advocacy, awareness raising and education

Qualitative
assessment

Is your country undertaking initiatives to increase the participation of CSOs and STIs in DLDD-related programmes and projects?

Yes No

Provide a short description of actions taken at the national level to promote participation by CSOs and STIs in the Convention processes.

The Focal Point convenes meetings with relevant stakeholders including CSOs and STIs on the Convention whenever resources are available for updates. The Focal Point is currently in the process of requesting interested stakeholders to register and join the Convention processes.

Operational objective 1: Advocacy, awareness raising and education

CONS-O-4

Number and type of DLDD-related initiatives of civil society organizations (CSOs) and science and technology institutions (STIs) in the field of education

Global target

A steady growth in the number of DLDD-related education initiatives undertaken by CSOs and STIs is recorded along the implementation period of The Strategy

National contribution to the global target: number of DLDD-related initiatives implemented by CSOs and STIs in the field of education

Voluntary national target

Percent increase in the number of DLDD-related education initiatives undertaken by CSOs and STIs, per biennium

Which national target your country has established to measure progress in achieving the priorities established in the national action programme, if different from the target suggested above?

Qualitative assessment

Is your country undertaking initiatives to increase the number of DLDD-related initiatives in the education sector implemented by CSOs and STIs?

Yes No

Provide a short description of actions taken at the national level to increase the number of DLDD-related initiatives of CSOs and STIs in the field of education.

Lilongwe University of Agriculture and Natural Resources (LUANAR) and Mzuzu University have included DLDD related initiatives in their curricula. This will increase the number of DLDD related initiatives in the education sector.

CONS-0-5 Number of affected country Parties, subregional and regional entities to have finalized the formulation/revision of national, subregional and regional action programmes (NAPs/SRAPs/RAPs) aligned to The Strategy, taking into account biophysical and socio-economic information, national planning and policies, and integration into investment frameworks

Global target Percentage of affected country Parties, subregional and regional entities that have formulated/ revised a NAP/SRAP/RAP aligned to The Strategy **≥ 80 %** **2018**

National contribution to the global target

Does your country have a NAP aligned to the Strategy? Yes No

Qualitative assessment

Is your NAP being implemented? Yes No

Please answer the following two questions only if your country has not aligned the NAP to the Strategy

Voluntary national target

When do you plan to align your NAP to the Strategy? 2014-2015
 2016-2017
 2018-2019
 No Plan Yet

Which national target your country has established to measure progress in achieving the priorities established in the national action programme, if different from the target suggested above?

Qualitative assessment

Provide any complementary information as needed (e.g., national circumstances affecting the NAP alignment and implementation process)

The NAP alignment process has delayed because of the long process involved in the procurement of a consultant. Currently, a first draft of the NAP has been produced by the consultant and submitted to the Focal Point for comments before it is presented to a stakeholders validation workshop.

CONS-O-7 Number of initiatives for synergistic planning/programming of the three Rio conventions or mechanisms for joint implementation, at all levels

Global target Each affected country Party has either one joint national plan in place or functional mechanism(s) to ensure synergies among the three Rio conventions **2014**

National contribution to the global target Was your country implementing joint planning/programming initiatives for the three Rio conventions in the current reporting period? Yes
 Yes, but for only two of the Rio conventions
 No

Were there any operational mechanisms that facilitated joint implementation of the three Rio Conventions during the current reporting period? Yes
 Yes, but for only two of the Rio conventions
 No

Please answer the following questions if your country does not have such initiatives or mechanisms in place

Voluntary national target Does your country plan to implement joint planning/programming and when? 2014-2015
 2016-2017
 2018-2019
 No Plan Yet

Which national target your country has established to measure progress in achieving the priorities established in the national action programme, if different from the target suggested above?

Voluntary national target Does your country plan to establish operational mechanisms for joint implementation and when? 2014-2015

CONS-0-8

Number of affected country Parties, subregional and regional entities to have established and supported a national/subregional/regional monitoring system for DLDD

Global target

Percentage of affected country Parties, subregional and regional reporting entities that have established and supported national monitoring systems for DLDD

≥ 60 %

2018

National contribution to the global target

Is a monitoring system specifically dedicated to DLDD established in your country?

Yes

No

Please answer the following questions if your country has not established and supported national monitoring systems for DLDD by the end of the current reporting period

Voluntary national target

When does your country plan to establish and support a national monitoring system for DLDD?

2014-2015

2016-2017

2018-2019

No Plan Yet

Which national target your country has established to measure progress in achieving the priorities established in the national action programme, if different from the target suggested above?

Sources of information

Qualitative assessment

Does your country have a monitoring system partially covering DLDD?

Yes

No

Provide any complementary information as needed (e.g., major difficulties experienced, how the system is being supported, etc.):

DLDD is covered in most national documents like the Climate Change Investment Plan, the National Adaptation Programme for Action and partially in the National Action Programme of 2001

Knowledge-sharing systems

List any DLDD-relevant knowledge-sharing system in your country, providing an Internet link and estimated number of users per year (add as many rows as necessary).

Percentage of revised NAPs/SRAPs/RAPs that have successfully gone through a quality self-assessment.	≥ 70 %	2018		

CONS-0-13

Number of countries, subregional and regional reporting entities engaged in building capacity to combat DLDD on the basis of the National Capacity Self-Assessment (NCSA) or other methodologies and instruments

Global target

Percentage of affected country Parties, subregional and regional reporting entities that implement DLDD-specific capacity-building plans or programmes/projects

≥ 90 %

National contribution to the global target

Is your country implementing DLDD-specific capacity-building plans or programmes/projects on the basis of the NCSA?

Yes

No

Is your country implementing DLDD-specific capacity-building plans or programmes/projects on the basis of other methodologies and instruments to assess national capacity-building needs?

Yes

No

Provide any relevant information on the size, scope, effectiveness and status of the initiatives implemented, or other complementary information as needed

There are a number of projects underway in the country. The National Focal Point will conduct an assessment and highlight all related projects for the benefit of the nation.

Sources of information

UNCCD National Report (2002-2004)

Qualitative assessment

Has your country assessed DLDD-related capacity-building needs?

Yes

No

Did you country receive technical and/or financial assistance to build capacities to combat DLDD?

Yes

No

CONS-O-14

Number of affected country Parties, subregional and regional entities whose investment frameworks, established within the integrated financing strategy (IFS) devised by the Global Mechanism (GM) or within other IFSs, reflect leveraging national, bilateral and multilateral resources to combat DLDD

Global target

Percentage of affected country Parties, subregional and regional reporting entities that have developed integrated investment frameworks (IIFs)

≥ 50 %

2014

National contribution to the global target

Does your country have an integrated investment framework?

Yes

No

Provide any complementary information as needed (e.g. is the IIF based on the NAP; non-traditional and innovative financing targeted by the IIF; overview of the progress in implementing the IIF in your country; assistance received in the development or implementation of the IIF from the GM or other development partners, etc.)

The country produced a National Climate Change Investment Plan which has since been launched by the Government of Malawi

Sources of information

National Climate Change Investment Plan, 2013

CONS-O-16

Degree of adequacy, timeliness and predictability of financial resources made available by developed country Parties to combat DLDD

Rating of the bilateral assistance received for the implementation of the Convention and its Strategy during the reporting period

Adequacy of bilateral assistance received	Adequate	<input type="checkbox"/>
	Fairly adequate	<input checked="" type="checkbox"/>
	Not adequate	<input type="checkbox"/>
<hr/>		
Timeliness of bilateral assistance received	Timely	<input type="checkbox"/>
	Fairly timely	<input checked="" type="checkbox"/>
	Not timely	<input type="checkbox"/>
<hr/>		
Predictability of bilateral assistance received	Predictable	<input type="checkbox"/>
	Fairly predictable	<input type="checkbox"/>
	Not predictable	<input checked="" type="checkbox"/>

Provide any complementary information (e.g., additional information on other aspects beyond those mentioned above which impact proper planning and effective implementation of the Convention in your country, etc.)

Most of the bilateral assistance is donor driven as such it does not respond directly to the needs and focus of the country on DLDD

Qualitative assessment

Did your country receive assistance in raising resources from bilateral donors? Yes No

If yes, from whom?

From the United Nations Development Programme

CONS-0-18

Amount of financial resources and type of incentives which have enabled access to technology by affected country Parties

Global target

A steady growth in the financial resources allocated to facilitate access to technology by affected country Parties is recorded along the implementation period of the Strategy

A steady growth in the number of economic and policy incentives reported upon is recorded along the implementation period of the Strategy

Voluntary national target

Percentage increase of financial resources allocated to facilitate access to technology by a given year % Year

Which national target your country has established to measure progress in achieving the priorities established in the national action programme, if different from the target suggested above?

--

Qualitative assessment

Provide any complementary information as needed (e.g., a short overview of specific aspects and the nature of technology transfer in your country, aspects in which there is a need to increase the level of technology transfer, etc.)

Malawi lacks behind in the field of technology transfer. Efforts will be made to improve in this area by involving government
